

All roads to destruction go through the Vatican and the Catholic Pope

HOW DID WE GET DUPED?

The Vatican's template has been unchanged for 1700 years: cause war, crisis, poverty, fear and then race in with the solution. For example, cause world wars, civil wars and then offer UN world 'peace' agenda (takeover of all nations by the Vatican). Set up an enviro-scam as an excuse to end private property rights and ownership. Presently they have created an eco-emergency as an excuse to control all private property. The Vatican/UN is funding terrorism, directly and through governments such as Canada because all high-level bureaucrats and elected officials are Vatican shills appointed to their positions and then blackmailed.

See [here](#) a summary of what UN Agenda 21 and 2030 are about.

See [here](#) for the Canadian Government's Backgrounder on Agenda 2030 and the UN's Sustainable Development Goals. Get up to speed quickly about how the United Nations Agendas were spelled out long ago and implemented in Canada [here](#), [here](#) and [here](#).

THIS IS NOT ABOUT SPIRITUALITY. BUT HOW RELIGIO-POLITICAL FORCES WERE CREATED TO CONTROL THE WORLD'S POPULATION - religion is the cover

1. The definitions and meanings you need to know:

***Catholic* means "universal church" Church means "political power"**

***Catholic Church* therefore means 'universal political power'**

'Reich' means Holy Roman Order (separate from Roman Empire)

WWI ended the Reich, WWII ended the 3rd Reich and we are presently subjected to the 4th Reich (4th Holy Roman Order)

***Christianity* holds that God is supreme**

***Catholicism* holds that the human Pope is God, is supreme and there is no Creator but the Pope.**

'Godfather' is the title of the mafia head ...the Pope refers to himself as

'Pope' means father.

God, and the word Pope means 'father'.

Fascism means 'centralization of power'.

The term *Vatican* means 'Holy See' (Sea, from maritime law).

The Pope's role is to convert Christianity to Catholicism...historical documents show that it has murdered tens of millions of Christians. It intends to kill off anyone who will not convert.

'Papacy' is a fictitious religio-political entity (created in the mind of the Roman Empire elite in the first century)

Papacy and the church entity meet today's definition of psychopath, Satan, evil. The sign of the serpent is only one indication of a person or group's connection to the Papacy.

Religion = Corporation = all business and is not law of God or spirituality

Black's Law Dictionary, 9th edition

***religion.* A system of faith and worship usually involving belief in a supreme being and usually containing a moral or ethical code; esp., such a system recognized and practiced by a particular church (political power), sect, or denomination.**

***State religion.* A religion promoted, taught, or enforced by a government's acts to the exclusion of other religions.**

The word "*corporation*" derives from *corpus*, the Latin word for body, or a "body of people". By the time of Justinian (reigned 527-565), Roman Civil law recognized a range of corporate entities. Churches became incorporated, as did local governments, such as the Pope and the City of London Corporation.

Yes, the Pope was 'local government', as well as Church (political power), and continues to be to this day.

Most 'religions' are businesses, operating under the guise of promoting God by replacing the 10 Great Commandments (Decalogue) with their own interpretations.

2. You MUST understand that language is used to trick you

The Iron Mountain Report, 1963, here, prepared for President J. F.

Kennedy was suppressed...all that it reported either has happened or is now being implemented.

The UN proposed in 1963 that if you are against open borders, and the end of nationhood and sovereignty, globalization and UN world control, you must be subjected to slavery or death.

Bastardized English and Latin = DOG LATIN the language of deceit and trickery

Latin language originated in Italy, during the Roman Empire, with classical written Latin prominent among the elite from the first century BC to about the first century AD. It is the perfect tool for keeping the majority of the world's population in ignorance, particularly when used in Canon law concocted by the Catholic Church and elites of government, as we have today.

Along with classic Latin, English was developed in a way that the uneducated were further duped when necessary, and worse, DOG or PIG Latin (combination of Latin and English) is what is used today to keep today's masses confused and easy prey for lawyers and the courts.

Those with a craving to dominate over other people, who masquerade as 'government' alter definitions of words in law books to their advantage and then force us through a supposed contract we are presumed to have with corporate government, to accept those definitions.

The fact that they define the words 'person', 'understand', 'address', 'mail', 'resident', 'motor vehicle', 'driving', 'passenger', 'employee', 'income' and many others, in ways different from the common usage, so as to be associated with a subject or class of subjects or slave status, means nothing in real life unless the individual allows it to have meaning through inaction, ignorance or cavalier inattention to detail.

Where the meaning of words in the common dictionary differ from the meaning of the same word in the law dictionary, it is the meaning in the common dictionary that should prevail in your interaction with the corporate government, because it is more trustworthy. Meaning of words in law dictionaries are subject to change...just look at the various versions of Black's Law Dictionary to see how certain words, such as 'person' have been changed over time to keep individuals in 'contract'.

3. Corporate Religion under the control of the Pope rule Canada and most countries

The Roman Catholic Church never refers to corporate takeovers, or anti-democracy. Instead, it refers to Christ v. Anti-Christ. Two Australian researchers whose statements are linked to recorded, historical events, prove that the Roman Catholic Church is the corporation that through its thousands of subsidiaries around the world, has sought to replace God/Creator and its sole goal is the control of the entire world. Some excerpts from research results found are found here.

These authors provide excellent information to cause one to rethink corporate 'religion' and how 'religion' was used to replace common sense, natural law and the original 10 Commandments to make way for the One World Order of the Vatican, the largest and oldest corporation in the world.

These authors are not trying to promote religion. They are showing us how our current crises were planned and predicted 2000 years ago. There are no guesses in their work, only facts, evidence and logic.

See here how the United Nations and former President of Soviet Union, Mikhail Gorbachev, were working to replace Christianity with communism and the original ten commandments using the Earth Charter Earth Charter and the WHO.

The Original Ten Commandments: Provided below is a [list of the Ten Commandments from Exodus 20:2-17 and Deuteronomy 5:6-21](#) giving a comparison of the two readings from the King James Bible.

Two Australian researchers Titus Livius Livy and D. Spillan, whose statements are linked to recorded, historical events, proved that the Roman Catholic Church is the corporation that through its thousands of subsidiaries around the world, has sought to replace God/Creator and its sole goal is the control of the entire world.

For further information about corporations, and their source of power check our CORPORATE GOVERNMENT content in Series #3. The History of Rome by Titus Livius (Livy) is available on Amazon, here.

As with all 'corporations' and law, the Roman Catholic Church (Roman Political Power) is fictitious...created by the imagination and started by the Roman Empire as a diversionary tactic.

The Roman Empire, originating in 27 BC, fell apart in AD 476. To save face and to distract the political power using 'moral persuasion' and the Roman Catholic Church was born. Soon Canon Law, with all its Latin trick words was enforced.

"History confirms that this seemingly unconquerable Roman Empire crumbled from within and without. From within wealth poured into Rome through taxes collected from all over the world and the simple Roman life was replaced with luxury and pomp. The political world brewed with corruption, crime infiltrated the streets, the work ethic was lost, sexual immorality was rampant. And as the mighty Roman Empire weakened from within, Rome was attacked from without and divided into ten smaller kingdoms."

Starting in 527 AD, the Pope and the Catholic Church were deemed 'corporations' under the Roman Civil Law, by the Roman Emperor. The 'hook' of the Catholic Church was essentially 'spiritual' rescue. The Pope was served up by Rome as replacing the Creator GOD. The corporate status facilitated the fiction no matter who the Pope was.

Historical records prove that the 50 million 'heretics' (Christians) who did not agree that the human Pope was 'GOD' were tortured and murdered by the Catholic Church. The term Protest-ants (Protestant) was given to Christians who did not agree that the Pope was the God he professed to be and particularly Lutherans did not agree that one had to connect with God through a proxy (such as Pope, Cardinal, etc).

In European countries which are based on Christian tradition, monarchic power is given from the political power of the church. That is why, when a new monarch is crowned, the Crown is placed on a monarch head by a church official. Most Holy Roman Emperors traveled to Rome to be crowned by a Pope. It is a symbolic headgear.

The entire thing is a charade and ruse...it is all fictitious, just as the pomp and ceremony of the Royals are nothing more than charades today. These are swearing-in ceremonies and rituals to solidify membership in the 'cult'.

4. Creation of the Mafia by the Vatican to enforce its dictates

The Mafia was originally formed in Rome in 241 BC as the result of a Roman economic and social system called Latifundia - a feudal formation creating a hierarchy of personnel and a system of taxation. The Latifundia set up a new system of justice to protect the newly imposed economic and social system. It was prominent in Sicily when peasants were given land of their own and certain players saw a business opportunity in offering them 'protection'.

Today, the Vatican has imposed a Latifundia (Mafia) economic and social system in Canada with a hierarchy of personnel and a system of taxation that solely benefits the Vatican and its self-proclaimed godfather head of state - the Pope. The Canada Revenue Agency (CRA) uses Mafia extortion and intimidation techniques, invasion of property to collect 'taxes' for the foreign state now called the Vatican.

All tax is collected on behalf of the Vatican under the Roman Civil Law (Commercial Law) system. This system of course relies on you the human being in contract with their corporations. That law today is UNIDROIT imposed by the United Nations.

It is not a coincidence that 'Godfather' is the title of the mafia head the Pope refers to himself as God, and the word Pope means 'father'. The term Vatican means 'Holy See' (Sea, from maritime law but spelled differently as a trick).

As we speak, the Vatican Mafia has infiltrated the Canadian government through our Prime Minister, Governor General and a whole host of high-level corporate blackmailed and bribed government officials. The foreign organized crime syndicate - the Pope and his Vatican Mafia Crown Corporations, have been robbing Canadians for 200 years. For great info on this found [here](#) (archived [here](#)).

The Ruspoli crime family is one of the most wicked criminal bloodlines in the world and they are top owners of the Vatican corporation with princely titles all over Italy and Spain. 'Prince' Dado Ruspoli was an actor in the movie Godfather III which is one of the many examples of Hollywood glorifying the Italian Mafia in North America.

5. How to get the people to accept a fictitious entity?

The Papacy deleted the 2nd Commandment of the Decalogue on idolatry (idolizing something or somebody, putting something or someone above God), changed the Sabbath (Satur-day in recognition of Saturn) to Sunday (in worship of Satan's Sun- god).

To deceive those who worshiped Creator and not mere man or material, the Papacy split the 10th Commandment into two parts (section on coveting) to get back to 10 Commandments. With force (murder) and indoctrination, within the century, the people came to accept these new commandments. The Catholic Church ruled as Church (political power) and state. It picked up where the Roman elite left off and became indisputably depraved and corrupt. See the original Commandments [here](#).

When this was done, there were no printing presses and only the perpetrators were 'educated' and literate. When the printing press was invented in the 1500s, the elite were the only ones who could afford one and most people could not read, thus it was easy to keep the charade going. The Catholic Church promoted its own depraved doctrine, rather than the 10 original common-sense commandments of GOD ([here](#)).

All original teachings were sealed away, just as the truth is sealed away by today's courts to prevent widespread exposure of the facts.

"History reveals only one power [Catholic Church] that has persecuted Christians for 1260 years and only one power that had the privilege of taking out three of the ten kingdoms from the collapse of the Roman Empire." ~ [Who is the AntiChrist?](#)

(Note: the move to migrate extreme Islam into Christian countries is strictly a Catholic Church effort to continue to persecute and eventually annihilate Christians. It always uses other groups to carry out its agenda, but is the puppet master at all times.)

The Pope declared CHRISLAM (fusion of Christianity and Islam) as the One World Religion in 2019. See the declaration [here](#).

(Note how today, people worship/idolize actors, money, singers, material things, the Queen, the Pope, drugs, pornography, and sex. We unwittingly worship Satan's day instead of God's day of rest, simply through language deceit.)

ANYTHING THAT WE IDOLIZE WILL KILL US AND HAS KILLED US

6. Universal Political Power (Catholic Church) has two faces

The Catholic Church (aka Universal Political Power) has always had two faces. As you will see, it has been proven to be diabolical and ruthless. It does horrific things to the earth and its inhabitants in the name of God. How ruthless and depraved? Historical records show that even Hitler was alarmed by the atrocities committed and ordered a report and eventual breakup of the gangs controlled by the Vatican engaged in the atrocities.
(The Vatican Holocaust by Avro Manhattan)

There is a White pope and a Black pope (see [here](#)) (meaning, an evil doer and the other who pretends to be God). The Jesuit Order (see [here](#)) is by all civilized standards, psychopathic.

One quote of many like it from *Prompta Bibliotheca Canonica Juridicia Moralis* Theological appears in the Catholic Encyclopedia Volume VI, pp. 25-29, *"The Pope is of so great dignity, and so exalted, that he is not a mere man, but as it were, God and the Vicar of God. The Pope is, as it were, God on earth, chief king of kings, having plentitude of power."*

Until the 1st Pope came to power, the law was Admiralty/Maritime/Merchant Law...law of the sea because pretty much all commodities were moved by water under some agreement/contract. There were no civil laws as we know them today...each village, town, city made rules that suited their particular culture and that was referred to as Roman Civil Law.

Soon enough after taking political power, the Catholic Church started to impose this same maritime law on the land inhabitants, making up spirituality-washed laws and presumed 'contracts' as it went. Its 'Canon Law' was cruel, based entirely on fear and guilt-tripping at the whim of the Holy See (Holy Sea). Canon Law (Ecclesiastical Law) manufactured concepts such as hell, heaven and purgatory and trusts. All secret societies are criminal cartels and all are controlled by the Holy See (Vatican).

7. Psychological extortion

'Indulgences', an extremely lucrative Roman Catholic business enterprise, involved paying to get out of purgatory when you die. If you were already dead, your loved ones could pay the indulgence and have the priest pray you out of purgatory. Of course, the 'sins' were defined by the Church --if you were a normal human being with normal thoughts and feelings, you were very likely to be a 'sinner'.

Notice the similarities with today...the Judges wear black robes, they decide the penalty for your wrongs and if you pay enough money, you get a 'get out of jail' card. Essentially the same ritual, the same corporation (only several hundred years later and more sinister and refined). Legislation (Admiralty/commercial law) ensures there is always a steady supply of 'sinners' to pay the corporation.

The Papacy (Vatican corporation) lasted in primary power from AD 538 to 1798, governing its collection of Papal STATES (such as Switzerland) with the corruption and depravity you see today. Once you learn this, you understand why Switzerland was never bombed during either world wars, nor was the British Royal holdings and the Vatican...all untouched because they were part of the Vatican's Nazi system.

The Inquisition, first instituted in Southern France in 1229, is an

ecclesiastical tribunal charged with the "discovery, punishment, and prevention of heresy." Inquisitions were responsible for annihilation of entire societies during the Middle Ages. All who doubted the dogmas of the Catholic Church, those who dared to question its authority or truth, or those who dared to rebel against the authority of the Pope felt quickly its ferocity. Inquisitions are still in full operation today, with less overt bloodletting, but just as deadly. A good number of assassinations have been linked to the Vatican, such as the Kennedy assassinations. The Kennedy's were Catholic, but because of their love for democracy, freedom and rights of individuals, they were heretics according to the Vatican.

By the mid-1200s the People had had enough in England and the Magna Carta, a treaty, was put in place. Most of it has been repealed. While it was a 'guiding principle', today's courts are increasingly not following Supreme Court decisions let alone reaching back so far as to look at the Magna Carta.

In the mid-1500's King Henry VIII wanted a divorce from his wife to marry another, but his wife was a Spanish elite and the then Pope was in political alliance with Spain. The Pope said no divorce, and the English King in turn took control of all Catholic buildings, assets and monies in England. He created the Church of England, with the King as the head (his new corporation). The Anglican Church (mostly Protestant reformers) was founded in 1534 in England and it includes the Church of England.

The Anglican Church set up a corporation called the (British Accreditation Registry) better known as the BAR...you know, a business of 'liars' we call lawyers. Their job was to make 'laws', prosecute those laws, protect the Crown at all costs and do so while leading their clients to believe they were working for them. They got paid coming and going no matter what they did. As a closed society, they promoted themselves to Judge, ensured the courtroom was the safest place to lie and deceive...creating a situation of immunity with impunity, aka as legal fraud and corruption.

The loss of church property in England lasted until 1534 when Queen Elizabeth, during her Coronation Speech, swore allegiance to the Roman Catholic Church and the Vatican Corporation took control of the Corporation of the City of London and the Church of England.

The Catholic Church corruption, sex crimes and depravity was catching up with it by the 1500s and many Protest-ants broke away, leaving the crime family short on gold. It was clear to all who wanted to look, that the Pope was speaking out of both sides of his mouth...that one section of the Church was operating corporate scandals, while the other section was providing cover disguised as speaking for God.

8. The Jesuits now Rule the World

Enter the Jesuits. Instead of breaking away from the Church as the Lutherans had, in the mid-1500's they made a 'corporate' deal with the corporate Catholic Church...'let us operate under your banner and we will help you recover the people's trust'. The Jesuit hook was their ability to 'educate'. They knew that he who controls 'education' controls the population.

To this day, Jesuits control all education. Canada got its first Jesuit Cardinal in 2019.

The Jesuit goal was to control the world by controlling education across the world. Throughout the ages, while teaching reading, writing and 'arithmetic', they promoted false doctrine and Canon Law as God's Law. From a young enough age, they could indoctrinate generations of ready-made slaves as they needed to do their dirty work.

There was and is no institution more anti-democracy or anti-individual. Pius XI (1922-39), for example, was a man "contemptuous of democratic institutions," as his first encyclical clearly showed.

From THE VATICAN IN WORLD POLITICS, 1949 by Avro Manhattan:

"Ever since, throughout the centuries and in all countries, the Jesuits have gone on with their work of consolidating the religious and political power of the Catholic Church. They have reached an extraordinary perfection and skill in training young people for high offices either in the Catholic Church itself or in civil Governments.

As a Jesuit historian wrote: "Many are now shining in the purple of the Hierarchy, whom we had but lately on the benches of our schools; other are engaged in the government of States and cities." (Orlandini)."

An excerpt from the Jesuit Oath of Induction – kind of makes extremist Islamists sound tame don't they? (Full Oath [here](#).)

"I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face

of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet/ regardless of the honor/rank/dignity/or authority of the person or persons/whatever may be their condition in life/ either public or private /as I at anytime maybe directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith/of the Society of Jesus."

See [here](#) for the warning that Roman Catholic Archbishop of Chicago gave in 1915 about the Roman Catholic World Rule.

9. Napoleon ends Papal government

In 1798, Napoleon marched into Rome, deposed and exiled the Pope and reinstated Jewish controllers. Papal government was abolished and Napoleon established a secular government. What was not abolished was the control by the Papal State of all private lands by means of fictitious Cestui que vie trusts concocted by the Papacy.

From the day that Napoleon rid the world (or thought he did) of the Catholic Papacy in 1798, until February 1929, the Papacy appeared to have had no real political power and were thought to be dying a natural death. Not so, as the elites of Europe ensured the continuation of efforts toward a One World Government.

10. ILLEGITAMCY OF HER MAJESTY, QUEEN AND CROWN-WHOLESALE FRAUD - swindling Canada

All German monarchies, including Elizabeth II's German Saxe-Coburg and Gotha monarchy were abolished in 1917 for high treason when they deliberately and consciously betrayed Canada (and other Commonwealth countries) by assisting the Vatican World War One (WWI) against Canada, the United Kingdom and in fact, the world. Listen to the short video on this history by clicking [here](#).

Once the WWI succeeded in abolishing the German monarchies in 1917, including the Saxe-Coburg & Gotha dynasty of which Elizabeth II is a

descendant, the family created a new and false identity to defraud the UK and Canadian people, complete with false titles and 'Houses'.

Elizabeth's family dreamt up the name House of Windsor, infiltrated British 'royalty' and continued its goal of helping the Vatican establish its One World Government. For proof, see [here](#).

Assistance and support for the Vatican's One World Government goals would continue throughout WII when members of the 'royal family', particularly Edward VIII and Elizabeth II's father, George VI, provided intelligence to Hitler's 3rd Reich yet another creation of the Vatican. The goal was to crown a Nazi King of England and its realms.

The 17 July 1917 proclamation proves that House of Windsor name was fabricated and assumed by the UK and Canadian monarchy to conceal their German lineage, name & titles, and the betrayals of Canada and the USA. King George V assumed the English surname 'Windsor' to replace his German birth surname Saxe-Coburg- Gotha with the intent to deceive and defraud - a deception deliberately practiced in order to secure unfair and unlawful gain - that is, the throne of the Protestant Church of England (monarchy) and authority over the English and Canadian people and their property.

Remember that in the mid-1500s, King Henry VIII had separated from the Roman Catholic Church and instituted the Protestant Church of England, with the King as its head.

By assuming the Protestant and English surname of Windsor in 1917, George V covered up his Roman Catholic Church allegiance and continued to serve the Roman Catholic Church by financing the rise of Adolf Hitler and the Third Reich (the Roman Catholic Church's Third Holy Roman Empire). This he did primarily by using the gold coins, bars, and certificates that he CROWN'S Federal Reserve confiscated from the American people on April 5th, 1933, when America went bankrupt.

The betrayals of the Commonwealth continued unabated and undercover until Elizabeth II submitted to the Holy See and the Church of Rome and professed the Catholic faith at her own coronation ([here](#)), June 2, 1953, in violation of Act of Settlement Law, which prohibits any allegiance or loyalty to a Roman Catholic authority and demands strict loyalty to the Protestant faith.

According to Canadian and United Kingdom (UK) laws confirmed by historical records, Canada and the UK have no legitimate mo Legislation or Bill that received "Royal Assent" since 1917 are valid, or enforceable. They are null and void because they were made, accepted and/or endorsed

under false pretense – by intentionally misrepresenting a past or existing fact, which is a criminal act.

The indisputable fact is that Elizabeth II's legal surname is Saxe-Coburg-Gotha and she and her family have unlawfully served the Catholic Church Pope and the Pope's 4 Holy Roman Empires (Reich): First Reich, Second Reich (WWI), Third Reich (WWII) and the present Fourth Reich (UN Agenda 21 and 2030 (see [here](#)) was declared by the Pope in 2014 – See [here](#). Yes, all are owned and controlled by the Pope.

As most are becoming painfully aware, the [Fourth Reich](#) is now being waged in Ukraine, against occupied European states and Russia by the Vatican's NATO Gladio Bandera forces. NATO is the reconstituted Waffen SS of Hitler's Third Reich. The Fourth Reich has also been unleashed in Canada and the USA, as economic, financial and social (migration) devastation.

You become a Roman Catholic simply by serving the Roman Catholic Church in any capacity and in any of its Crown Corporations. Therefore, by law, when George V, Elizabeth's grandfather, became a Roman Catholic agent to serve the Roman Catholic Church throughout WWI - a.k.a. Roman Catholic Second Reich, he automatically forfeited the throne (even if he had been a legitimate British Royal).

The establishment of the Roman Catholic Third Reich almost failed when George V's son King Edward VIII was forced to abdicate and forfeit the throne and all authority, titles, estates and privileges associated with the throne. The 'spin' was that Edward was intent on marrying a Roman Catholic American divorcee, but many historians claim that it was because he had been exposed as giving (not selling) precious British military intelligence to the Nazi's that caused millions of soldiers their lives...all for the title of Nazi King of England.

Many historical pictures, [here](#) and [here](#) show the profound devotion of Edward VIII to the Vatican's Nazi regime. Most stories about the Royals are very sensitive not to out them too much and so the 'spin' leaves out many details of the treachery that cost millions of lives on the battlefield. Prince Harry's Nazi armband is seen [here](#).

'Line of succession' laws absolutely forbade a monarch from marrying or becoming a Roman Catholic (serving the Roman Catholic Church and the reigning Pope) and thus the cover of 'wrongful marriage' was perfect to protect a traitor.

George VI (Elizabeth II's father) illegally assumed the English throne under "false pretense" (assumed the fabricated name of Windsor) and

illegally continued to serve the Roman Catholic Church by aiding and abetting it's Third Reich and leaking (some say 'gushing') top secret Allied military operations intelligence to the Nazi Gestapo.

In fact, historical records show that George VI alerted devout Roman Catholic Adolf Hitler of Operation Overlord (D-Day invasion), allowing Hitler to fortify the beaches and cause major loss of life to landing Canadian, English and U.S. forces.

BOTTOMLINE: YOUR TAXES AND THE CANADIAN LANDMASS'S RESOURCES WENT AND STILL GO TO KEEP FRAUDS, DESPOTS, DICTATORS AND NAZIS IN WEALTH so that they can impose communism and New World Order.

Because Elizabeth II's father and grandfather illegally continued to rule under false pretense (under the fabricated identity of Windsor), her reign as Queen of Canada and all acts of Parliament that received Royal Assent since 1917 are null and void.

In law, no authority, right, privilege, title, patent, legislation, or contract are lawful or legal if obtained as a result of false pretense or fraud. Thus, since the 'royals' titles were acquired under false pretense and/or false representation, their claims are unenforceable.

The House of Windsor is a completely fabricated and unlawfully assumed surname taken by the 1917 abolished German Roman Catholic Ducal House of Saxe-Coburg and Gotha with the specific intention of defrauding the English and Canadian people. This could not happen without the handpicked elite running the Canadian government, from Governor Generals to military leaders and the RCMP. Let us not forget the role of the CBC...the Queen's mouthpiece in this deception.

In addition to the perpetuation of the false identity, according to lawfully established Line of Succession laws, Elizabeth and her descendants are all disqualified from inheriting the throne because she married a Roman Catholic – Nazi German Hitler Youth-schooled Philip Battenberg (Prince Philip). Prince Philip's family name is actually of the German ducal House of Schleswig-Holstein- Sonderburg-Glucksburg.

It is a capital crime of high treason to even attempt to undermine the lawfully established anti-Catholic line of succession since the Protestant Church of England split from the Catholic Church in 1534 under King Henry

VIII. Laws were enacted to prevent any future reconciliation or allegiance to the Roman Church or professing of the Catholic Faith by any and all monarchs and their heirs (Law of Settlement).

Enrollment papers from the archives in Germany confirm the requirement that only a Roman Catholic could enroll in the Hitler Youth group. This requirement explains how and why Joseph Ratzinger-Pope Benedict XVI – was enrolled and schooled in the Hitler Youth. In 2015, Ratzinger, the Queen and Stephen Harper (for corporate CANADA) were found guilty of ethnic cleansing of indigenous peoples, sexual abuse and murder of aboriginal Canadian children and other crimes, by the International Common Law Court of Justice. This fact has also been suppressed by mainstream media. More investigations by the International Criminal Court are underway in 2020.

Another fact evidencing that the Queen's husband is a Roman Catholic, is that Philip's mother was a nun. She wore a nun's habit at the wedding of German Elizabeth Saxe-Coburg and Gotha to German Philip Battenberg.

Because her husband, Philip Battenberg, is Roman Catholic, Elizabeth II is automatically disqualified from succession to the Church of England throne and all titles. Rights and privileges associated with the throne, including rights over Canada and other Commonwealth countries and their People.

It is interesting to note that Elizabeth's uncle, Edward VIII, was dethroned purportedly for the very same unlawful action - marrying a Roman Catholic, but as historical documents show, the truth was that it was because he was exposed as a traitor.

Elizabeth II is head of the Order of the Garter ... an order originally instituted for the protection of the Roman Catholic Church. The coat-of-arms of the Order of the Garter has the Roman Catholic Crusader mark in its center. To quote [Paul W. Kincaid's excellent summary](#) (archived [here](#)) at www.PressCore.ca:

"No sovereign of England and Canada can serve the Roman Catholic Church as he or she is the head or Supreme Governor of the Church of England. Elizabeth II is a traitor and impostor (illegally ruling under the fabricated and assumed House of Windsor surname). She and her family are guilty of high treason - undermined the lawfully established line of succession - and fraud (false pretense/representation). The House of Windsor is a false surname, never existing before 1917 when George V fabricated and assumed the false surname

to: 1)cover up his family's German lineage, 2) escape certain death for treachery and 3) defraud the people of England, Canada and all Commonwealth nations. Elizabeth II and her German House of Saxe-Coburg and Gotha family have no legal authority whatsoever over England or Canada. She is an identity thief. An impostor. An unlawful heir to the Church of England throne."

Bottom line is that Canadians have been enslaved and extorted by master frauds. Now under the control of the Corporation of the Vatican City and its Fourth Reich, we are truly enslaved physically and psychologically as the propaganda that Queen Elizabeth is the monarch of Canada continues unabated in mainstream media, particularly the CBC.

At this time, proud Nazi collaborator George Soros, the Nazi behind all migrant problems across the world, is leading Justin Trudeau and the Canadian government in his plan to bring 1,000,000 migrants to Canada against the wishes of Canadians. It appears that we have allowed Soros to establish Justin Trudeau, the Nazi King of Canada on our beautiful landmass. Click [here](#) for evidence and [here](#).

11. CANADA HAS BEEN UNDER MARTIAL LAW SINCE 1945

Monarchy is a fancy term for 'corporation', a profiteering business.

In 1931 the corporate CANADA (see [here](#)) went bankrupt. No business can continue without something to 'trade'. The Vatican's International Monetary Fund (IMF) made a deal with our corporate government to 'float their boat' if the government put up the labor of its people, Canadians. This caused the launch of the Birth Certificate. Had they referred to it as the bond certificate it is, we would perhaps have awoken, but 'Birth' Certificate is a clever deception and still works today to incorporate and enslave the population. Check our NAME FRAUD webpage.

The Birth Certificate, until withdrawn, stands as a constructive hold on the individual and as one of several proofs that you agree to be 'incorporated'. The Statement of Live Birth proves you are a debt of the Queen, but a Birth Certificate (created by an application signed by your parents) turns you into a creditor. That is, you are responsible for keeping the Queen rich.

Immediately after Canada helped liberate Europe and put an end to the Vatican Nazi German Third Reich and WWII, King George VI, Queen Elizabeth's traitor father, imposed martial law in Canada in 1945. The British Royals were outraged that their Pope and Hitler had been defeated.

Using his false identity and title to represent the CROWN, which is the corporate entity for the reigning Pope, he proclaimed the "Letters Patent Constituting the Office of Governor General of Canada". Click [here](#) for the document.

For a look at all Constitutional Documents, take a look [here](#).

While mainstream media feeds us the line that the Governor-General is a simple figurehead only, in fact, since 1947, an unelected military General and Commander-in-Chief of the RCMP and Armed "martial law" forces controlled by the Crown's (Pope's) imposed dictator in Canada.

Watch the video exposing this by clicking [here](#). This further confirms that the so-called ruling political party is theatre and distraction while the Governor-General sets the agenda. Note the pure Latin writing of 'Commander-in-Chief', with the hyphen joining the words, indicating that this is strictly Roman Catholic political action.

12. The Mussolini creation of Vatican City

Unfortunately, not long after Napoleon separated Church and State (or religious politics from state politics), who appears but Fascist Dictator Benito Mussolini of Italy in 1929, who, with the signing of the Lateran Treaty, gave the Catholic Church 108 acres, called it the Vatican City (a corporate body) and reinstituted papal religious-political power over the people. The Vatican City is the official residence of the Pope in Rome.

Empowered once again, and on the heels of the Roman Catholic bishops deeming the Pope' King of Kings of all nations', the Pope claimed to replace GOD:

"The Pope now makes absurd claims firstly by declaring to be God on Earth and he puts himself in place of Christ which matches the definition of antichrist; against or in place of. Here are some quotes made by the Roman Catholic Church:

"The Pope is not only the representative of Jesus Christ, but he is Jesus Christ, Himself, hidden under the veil of human flesh."- Catholic National, July 1895.

"The Pope and God are the same, so he has all power in Heaven and earth." -Pope Pius V, quoted in Barclay, Chapter XXVII, p. 218, "Cities Petrus Bertanous."

"We hold upon this earth the place of God almighty. ´ - Pope Leo XIII, Encyclical Letter, June 20, 1894.

Note that what is written here is not intended to offend anyone and applies to the Papal system and not the many wonderful Christians in this Church." (for more, read: [The Vatican in Politics](#)).

And it gets worse...pedophile and predatory priests have been given the divine right to forgive sins...somehow the White Pope has convinced millions of followers to look the other way, instead of asking how it is that deviants get to forgive 'sins'. Pedophilia is still repugnant to most humans, so it is a great blackmail tool.

Since at least 2010, there has been a relentless effort to have pedophilia normalized and protected under the Canadian Charter of Rights and Freedoms. See [here](#).

Below is what the Roman Catholic Church says it can do to anyone they consider a heretic, which is anyone not in their Church (political system).

Historical documents prove that the Catholic Church is the murderer of at least 50 million Christians in one 400 year period alone, and it continues today as it seeks to depopulate the world of 'useless eaters':

"The church may by divine right confiscate the property of heretics, imprison their person, and condemn them to flames. In our age, the right to inflict the severest penalties, even death, belongs to the church. There is no graver offense than heresy, therefore it must be rooted out." – Public Eccliastical, Vol. 2, p.142.

Claiming to be God on earth is not the only criterion for blasphemy. Luke 5:21 reads:

"And the scribes and the Pharisees began to reason, saying, Who is this which speaketh blasphemies? Who can forgive sins, but God alone?"

Today the Roman Catholic Church still alleges that every Priest can forgive sins.

"Seek where you will, through heaven and earth, and you will find but one created being who can forgive the sinner...That extraordinary being is the priest the Catholic priest." - Michael Muller, The Catholic Priest, page 78.

"To pardon a single sin requires all the omnipotence of God...The Jews justly said: 'Who can forgive sins but God alone?' But what only GOD can do by His omnipotence, the PRIEST can ALSO do by saying 'Ego te absolvo a peccatis tuis' [I absolve you from your sin]." - Alphonsus de Liguori, Dignity and Duties of the Priest, pages 34-35.

As explained by Avro Manhattan in his 1949 masterpiece "The Vatican in World Politics", from 1922 forward:

"...the Vatican went so far as to order the dissolution of one great Catholic party after another in order to assist first Fascism and then Nazism to strengthen their stranglehold on their respective States.

The Pope, not content with that, proclaimed on more than one occasion that the first Fascist dictator (Mussolini) was "a man sent by Divine Providence." Having warned the faithful throughout the world that "no good Catholic can be a Socialist," he wrote an encyclical by which he recommended to Catholic countries the adoption of the Fascist Corporate State (Quadragesimo Anno, 1931).

When the Fascist States began their external aggressions the Vatican helped them --- indirectly and, in more than one case, even directly. Catholics in the countries concerned were required to support them, or diplomatic means were employed, as in the case of the Abyssinian War (1935-6), or in the case of the rape of Austria (1938) and Czechoslovakia (1939).

"The fact that Fascism was born and first established in a Catholic country, and that it began its official career in the very seat of Roman Catholicism, is neither mere coincidence nor a freak of history. It was due to various important factors of a religious, social, economic, and political nature, not the least of which was the presence and cooperation of the Vatican in this first experiment of modern Totalitarianism.

By 1939, the Catholic Church had thrown its weight and full support behind every Fascist dictator it could find, including Hitler. The Vatican in World Politics notes how the Catholic Church became full partners in the Nazi atrocities with great pleasure:

"By this time the Vatican wholeheartedly favored the Nazis. The Pope sent orders to the German bishops/ who were assembled at Fulda/ that they were to instruct their clergy to support Hitler...

The "authority" which claims to be the moral authority of the world was practically the only one which did not utter a single word in defense of the persecuted/ or of reproach to the Nazis...

In appreciation for having made her full partner with the State/ the Catholic Church asked God's blessing on the Nazi Reich." On Sundays and Holy days/ special prayers/ conforming to the Liturgy/ will be offered during the principal Mass for the welfare of the German Reich and its people, in all Episcopal, parish and conventual churches and chapels of the German Reich (Art.30).""

From Uncontrolled Opposition (see [here](#)):

"Seldom is it mentioned: that the Rothschilds/ along with other western bankers and industrialists/ financed the rise of Hitler as a bulwark against the Soviets. The ultra-rightwing falsely describes the Rothschilds as "Jewish bankers" when/ in fact the Rothschilds are interwoven with the Catholic Church/and/jointly with the traditional mafia and the American CIA interlocked with the Vatican Bank which was pro-Nazi."

And so it went. Historical documents prove that the Catholic Church ran one Fascist political party after another throughout Europe, such parties having the sole goal of advancing the Catholic Church's agenda of world control by supporting Hitler and Mussolini and hundreds of other fascist dictators.

This running of political parties from the background is a template used repeatedly, and even today, to dismantle democracies, destroy Christianity and install Catholicism and one world government run by the Vatican.

The many different versions (denominations) of Christianity create diversity through which the Roman Catholic Church operates, so there is always a large 'buffer zone' between the cause and effect of the human struggle caused by the Church.

While supporting the Nazis goals across Europe, the Catholic Church was hedging its bets in North America. It seems that few people learned that Catholicism was NEVER pro-Christianity and pro-democracy, but solidly an enemy of Christianity and democracy. Today, the Pope actively promotes Communism...see [here](#).

"During the Second World War the Catholic Church did not abandon its work amongst the troops [North Americans] but built up a Catholic army of chaplains, which, from a mere 60 before Pearl Harbor, rose to 4,300 by 1945, Mgr. Spellman having been appointed "Military Vicar of Army and Navy Chaplains" as early as 1940." (The Vatican in World Politics, 1949)

To suggest that there should be a separation of Church and State is sacrilegious according to the Popes ...it is the Vatican foreign state that must control all states of the world in order for the entire world to become Catholic and governed by the Vatican One World Government (New World Order).

No Catholic can really believe in equality of religions for the simple reason that, according to Catholic doctrine, Catholicism is the only true religion. All others, it is claimed, including Christianity itself, are false and therefore ought not to be treated on a par with the Catholic Church, and all Catholics must follow the teachings of the Pope. This means they cannot support true democracy, complete freedom of the Press and the individual, and similar doctrines.

The Pope declared a New World Religion in 2019: CHRISLAM (see [here](#)):

"The Vatican, having set out to conquer, although always true to a carefully studied grand strategy, is a master of tactics. The interplay of social and political currents and countercurrents everywhere consequently is indefatigably used to carry out in quickened tempo its penetration in the affairs of the United States of America and of the rest of the world." (The Vatican in World Politics, 1949)

13. Full control of the media accomplished

By the 1930's the Catholic Church fully controlled media and particularly the motion picture industry...not a film was produced in America that was not first approved by the Vatican. Every film promoted Catholic propaganda and principles as the only religion and only way to live and govern. By 1946, as summarized in The Vatican in World Politics, the Catholic Church controlled everything that Americans (and by association, Canadians) heard, saw, thought, believed and accepted.

"Thus a great Film Corporation had to submit before a tribunal set up by the Catholic Church, sitting above the Courts of the United States of America, judging, condemning and dictating, not according to the laws of the country, but the tenets of a Church which, thanks to the power of its organizations, can impose its standards upon, and therefore indirectly influence, the non-Catholic population of the country."

Today, the situation is far worse as the entire mainstream media is fully controlled by the Vatican, which is why your reality and experience differs so much from the nonsense and deliberate misdirection fed the population by 'news' programs. They are not called 'programs' and 'programming' for nothing. Check our MEDIA FRAUD PAGE.

By now, you should suspect that the Vatican was behind the destruction of countless careers in the film and music industry between 1940 and 1950. McCarthyism was characterized by political repression and the spread of fear of Communist influence on American institutions - none of it true or based in evidence, but a means for the Vatican to exert and maintain its control of all Americans through the media. It's not called witchcraft for nothing. Fear will see a witch where there is none.

"Pressure on the press is exerted more often than is believed through the boycotting of advertisements....With the passing of the years, such instances have occurred with alarming

frequency. The same methods are employed with publishers of books, most of whom, before even considering a manuscript, try to guess in what light it will be judged by the Catholic Church, which besides "paralyzing" and killing a book can indirectly hit back at the publishers; by withdrawing or refusing acceptance of advertisements; by publicly condemning certain types of literature; by promoting wars on "bad books," (The Vatican in World Politics, 1949).

See [here](#) for an article in the Canada Free Press titled 'Joe McCarthy reconsidered'. He tried to warn us all about the communist taking over our nations; we ignored him and today we are fighting to get them out, yet again.

For a history of Joseph McCarthy, [see here](#): Joseph McCarthy - Senator, Cold War & Death HISTORY.

In Canada, the Royal Canadian Mounted Police (RCMP) enforces and maintains Catholic Papal Bulls. See [here](#).

We see the same actions against freedom of speech in Canada today, with entirely unsubstantiated attacks on truth tellers and heightened political efforts to silence the discontented and those exposing the corporate/Vatican governments running Canada today. All attempts to show the treasonous acts of our PMs and their Parliament are suppressed with 'legislation', full mainstream media complicity in the implementation of the Roman Catholic Agenda, and 'political correctness' education.

Conclusions in 1949 by Avro Manhattan in The Vatican in World Politics warned of what we are experiencing today:

"Far from diminishing, the influence of the Catholic Church is expanding with increasing rapidity. It is moulding the course of local, national, and international events in such wise as to facilitate the attainment of its main goal--dominion throughout the world. If this main goal were limited to the purely religious sphere, it would still be objectionable on moral and practical grounds. But unfortunately the Catholic Church's aspirations knows no such limit. We have already seen that the Church does not remain within its own domain; its fundamental claim of being the only bearer of truth of necessity forces it to trespass into ethical, social, cultural, economic and political

spheres. Its assertion that it cannot be bound by any law enacted by men when in the exercise of its mission makes it act as it deems most suitable for its purpose, using whatever will help oppose, fight, or destroy ideologies or systems in conflict with Catholic tenets.

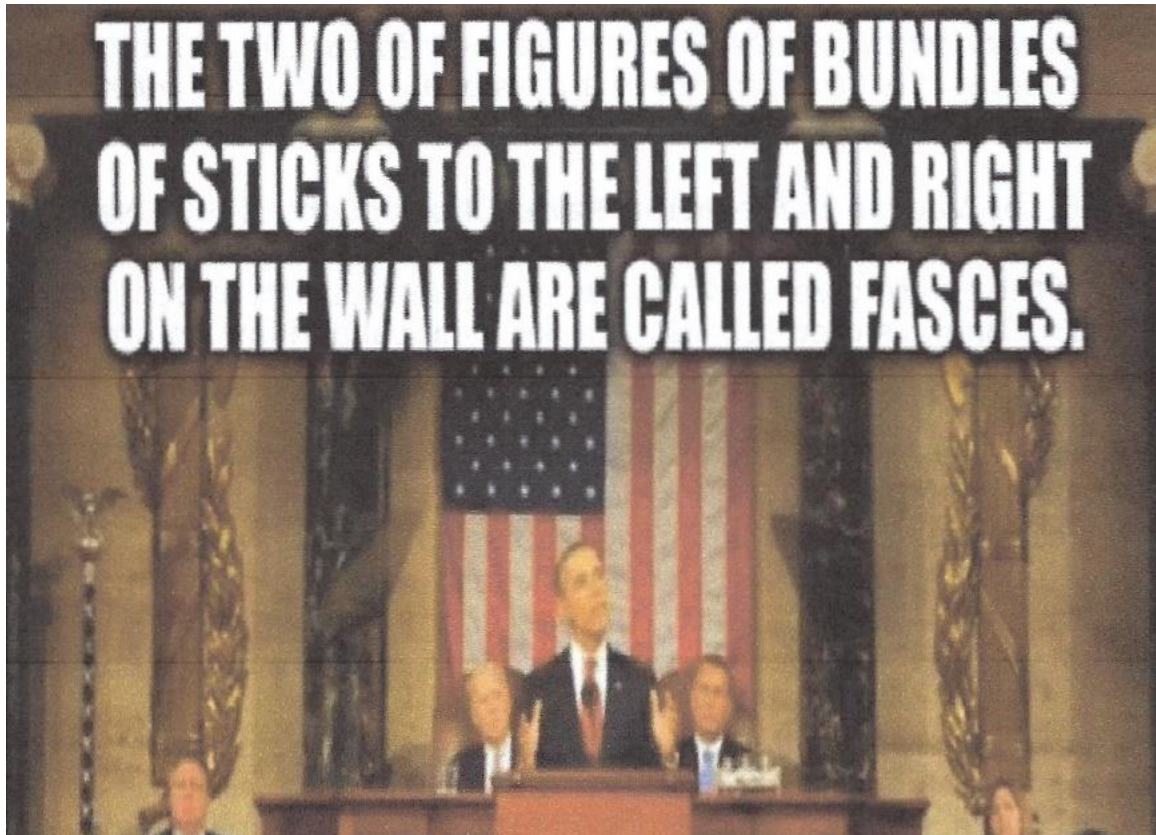

...the Catholic Church has neither standing armies nor atom bombs. It needs neither because it is the possessor of a weapon which during twenty centuries has served it not only to survive, but to win and conquer. Its strength lies in a passionate belief in its mission to convert and ultimately to rule all the nations of the world."

From 1950-56, the Vatican's Operation PaperClip brought 57,000 Nazis to North America to continue its takeover of the world. Some 10,000 were brought to Alberta, where they were given new names and identities and placed in high positions within Canada's medical, educational, political and law enforcement institutions. Hundreds formed the CIA.

We now see the full consequences of this transplant of psychopaths into the trusting Canadian population. The medical psychopaths saw to involuntary sterilizations, ethnic cleansing of indigenous peoples, incarceration of innocent Canadians based on 'opinions' of psychiatrists, institutional mind control experiments by the CIA (eg. MKUltra), the secret additions of fluoride to drinking water and endless other population control 'projects' such as GMOs and chemtrails.

The Nazi Bank for International Settlements is connected to the world's central banks and is siphoning off wealth and laundering the money in private Swiss bank accounts. The Swiss also provide the mercenary military force that protects the 108 acres of the Vatican City.

The Fasces symbol is a bundle of sticks tied together, usually with an axe. The bundle of sticks refers to bundling of authority and the axe refers to control under the threat of force.

14. Where does the Roman Catholic Church's influence derive from?

The White Pope preaches love, peace and uses moral persuasion to turn Catholics against 'evil'.

Catholics vote in huge blocks based on the Pope's direction, which is relayed through the Bishops, but they are never told about the Black Pope who created the 'evil' in the first place and who is defining 'evil'. Millions of German Catholics were misled to vote Hitler into power...the treachery is mindboggling and well documented.

This scheme has been replicated for 2000 years and continues in Canada. There is no doubt that the Islamic Party of Ontario recently registered as a political party will be boosted into power, as were the Nazis, using the same techniques. The extremists will be used to rid Canada of Christianity for the Pope and when done, Islam will be the target of their next 'elimination' project.

Once fascism is in place, the threat of force is then enough to get compliance from the population.

Nazism and today's EU have some very disturbing parallels. Indeed, the two are fundamentally intertwined and the origins of the EU (European Union) can be traced directly back to the Nazis. No wonder, therefore, that years later, the march towards a super state with a centrally-planned economy run by **unelected bureaucrats** is coming to fruition, just as Hitler envisioned. No wonder the EU's open border, single estate, de-sovereignizing activity has caused war and crises across the world. No wonder Canada is no longer a sovereign nation and our PM is paying migrants to come by the millions.

The UN has invaded all of North America through the Rio Accord (a Trojan Horse signed by PM Mulroney in 1992)

The UN has taken control of Canada and most countries by having politicians sign Principles, Non-Binding Treaties and Policies, all of which end up being implemented without the consent (and usually without the knowledge) of the People.

The UN (Vatican's implementation arm) uses the operation of fictitious legislation put in place by de facto authorities (**corporations**) to keep us enslaved. Yet, they were never elected. As we speak, the United Nations is enforcing its UNDRIT and UNCLOS (see [here](#)) commercial contract law on all humans, doing all it can to keep us in contract with the corporate governments that it controls. Meanwhile it is dissolving our justice system and there is no Rule of Law left in Canada.

Judges routinely reduce rights to 'privileges'. The Charter is a smokescreen.

The UN is forcing the end of private gun ownership (see [here](#)) to render Canadians totally helpless. It has militarized all domestic police forces. They are ultimately the UN's Military force. The Canadian military is almost non-existent and is having great difficulty recruiting. Undeclared, it remains a perfect opportunity for the UN Military to enter under the guise of 'protecting' Canadians.

Individual Canadians have no protection and the police are brainwashed to defend the corporate government/UN and to oppress the People. **All private property ownership has ended in Ontario as you learn from Series #3 PROPERTY THEFT.** The 'qualified' title on the Land Titles Register that we have been left with is not 'full ownership and control of one's property'. It is qualified ownership and you qualify if you meet the demands of the municipal corporation. Absolute title was stolen.

The Greatest land grab in the history of the world is happening right across the world...through illegal migration, CRA and CIA activities, IMF/World Bank imposition of debt, UN Agenda 21 (see [here](#)) and UN 2030 policies. It cannot happen without the existence of treason at the highest levels of our society.

The CRA (Canada Revenue Agency) and Courts are weaponized against any individual not onboard with the UN's plans. The CBC hides every truth and still to this day promotes the fictitious Royal Family as legitimate and the Pope as 'spiritual'.

The UN has taken over all control of municipalities, all land titles and all courts...just as the Iron Mountain Report stated in 1963. John F. Kennedy was 8 days away from releasing this Report to the public when he was assassinated by the Vatican operatives.

For details of the UN/Vatican theft of Ontario properties, please see PROPERTY THEFT page in Series #3.

YOUR PRIVATE LAND IS CROWN LAND: how CROWN LAND was created and how yours was stolen

In 1302 Pope Boniface issued his infamous Papal Bull, Unam Sanctam--the first Express Trust. Here the Papacy claimed control over the whole planet – this fictitious concept, he claimed, made him "King of the world". In celebration, he commissioned a gold-plated headdress in the shape of a pinecone, hence, the 13-foot-tall pinecone in Vatican Square and the strange headdress. Think about why the Pontiffs wear that pointed cone-like headdress.

Unam Sanctam is one of the most frightening documents of history and the one most quoted as the primary document of the popes claiming their global power. It is an express trust deed. The last line reads:

"Furthermore, we declare, we proclaim, we define that it is absolutely necessary for salvation that every human creature be subject to the Roman Pontiff."

It is not only the first express trust deed in history but also the largest trust ever conceived --it claims the whole planet and everything on it (your body, your property), conveyed in trust. Of course, the pedophile Popes control the trust and all humans are subject to the whims of the Pope.

Pope Boniface VIII was the first leader in history to create the concept of an Express Trust, but the first Testamentary Trust, through a deed and will creating a Deceased Estate, was created by Pope Nicholas V in 1455, through the Papal Bull Romanus Pontifex. This is only one of three (3) papal bulls to include the line with the incipit *"For a perpetual remembrance."* **This Bull had the effect of conveying the right of use of the land as Real Property from the Express Trust Unam Sanctam, to the control of the Pontiff and his successors in perpetuity.**

The Pope assumed the title "the Crown" when Pope Pius IX called the First Vatican Council in 1869 to have himself declared the king of kings of all nations by the Catholic Church bishops. Since the First Vatican Council, the Pope's temporal (relating to worldly as opposed to spiritual affairs) authority is identified as "the Crown". For more info click [here](#).

The transfer of the world's land to the control of the Pontiff created 'crown land' and all land is claimed as "crown land". This 1st Crown is represented by the 1st Papal Cestui Que Vie Trust, created when a child is born. It deprives us of all beneficial entitlements and rights on the land forever, until we learn to dispel all papal presumptions about ourselves in order to reclaim our bodies and property.

Since 1933, when a child is borne in a State (Estate) under Roman law, three (3) Cestui Que Vie (CQV) Trusts are created in Canada (and elsewhere) upon certain presumptions specifically designed to deny, forever, the child any rights of Real Property, any Rights to be free, and any Rights to be known as man or woman rather than legal entity, creature or animal, by claiming and possessing their Soul or Spirit. This is why the Vatican's courts in Canada hate it when an individual refers to themselves as a 'human being' or sovereign.

This is one of the reasons that children are considered 'property'...property of the estate and the trust and owned by the Pope.

But what is the value which must be conveyed to the trust when one is born, in order to create it?

The value is our right to property (via Birth into this world), our right to our body (via the Live Birth Record), and our right to our souls (via forced Baptism and incorporation). Since the state/province which registered the trust is the owner, it is also the trustee the one that administers the trust. In other words, the Pope has Constructive hold on our being and property until we learn to sever that constructive hold. Hold is defined in law as 'own'.

As all Papal COV Trusts are created on *presumption*, based upon original purpose and function, such a Trust cannot be created if these *presumptions* can be proven not to exist. These facts are hidden by corporate governments as Canadians struggle to get free. By dispelling presumptions of the Vatican, we can get free. By severing the constructive hold on our beings we can get free.

For an excellent explanation of the Catholic Church's 1st Trust that enslaves us today (Cestui que vie trusts are now operated by the Canadian government under a different name), see [here](#).

The Cestui Que Vie Trust

A legal Cestui Que Vie Trust is a fictional concept. It is a Temporary Testamentary Trust, first created during the reign of Henry VIII of England through the *Cestui Que Vie Act* of 1540 and updated by Charles II, through the *Cestui Que Vie Act* of 1666, wherein an Estate may be effected for the Benefit of a Person presumed lost or abandoned at "sea" and therefore assumed "dead" after seven (7) years. Additional presumptions, by which such a Trust may be formed, were added in later statutes to include bankrupts, minors, incompetents, mortgages, and private companies.

The original purpose of a legal CQV Trust was to form a temporary Estate for the benefit of another because some event, state of affairs, or condition (such as childhood) prevented them from claiming their status as living, competent and present, before a competent authority. Therefore, any claims, history, statutes, or arguments that deviate in terms of the origin and function of a CQV Trust, as pronounced by these canons, is false and automatically null and void.

The world's leading authority on the Vatican, Avro Manhattan, summed up the Roman Catholic cult depravity that continues:

"Documents and photographs of Catholic concentration camps, Catholic mass executions and Catholic forced conversions, some of which are in this book, are kept in the archives of the Yugoslav Government, of the Orthodox Church, of the United Nations and of other official institutions."

When the record is read, one cannot deny that all wars, all slavery, all human suffering at the hands of despots such as Hitler, religions and politicians, in the past and today, are the handy-work of the Vatican.

The Pope has legislative, executive, and judicial power. The Vatican City is a tiny nation state, that is, a foreign state...only one square mile in size. It has no standing army and only 1000 staff-it hires Swedish mercenaries to protect the Vatican, that is surrounded by a WALL.

While the Roman Catholic Church condemns Donald Trump for wanting a WALL for protection of his land and people, the Church hypocritically hides behind its own WALL and works to open all borders to destroy all nations, and to turn the world into a single territory under the control of the Vatican/UN. In fact, all people such as Facebook's Zuckerberg and depopulation fanatic Bill Gates, are protected by heavily fortified WALLS, while you remain at the mercy of migrants and criminals posing as 'refugees'. Note how most migrants are men of fight aging and rarely women and children.

The Governor of the Vatican City is responsible for public order, safety, protection of property, etc. The Code of Law is the Canon Law. The Vatican has its own stamps, coins, radio, competitive athletic team and railway and its own state newspaper that carries great weight and expresses the official views of the Vatican on important political and social world events. Worldwide it controls the content of many thousands of newspapers and magazines and media, including YouTube and Facebook. Most small community newspapers have been closed down to suppress the information exposing the Crown/Vatican/Pope atrocities.

The Catholic Church/Vatican Corporation has had 2000 years to perfect its control over all aspects of life. People are educated QD. [y to what will benefit the Church, pedophiles are particularly well taken care of, the Latifundia (Mafia), the UN, the EU, the Nazis, the IMF, the World Bank and all despicable organizations of every kind have their origins from and are still controlled by the Vatican. The One World Government is the Vatican - YOUR MASTER.

The Pope is the supreme head of both faces of Catholicism: The Vatican which is the political force, and the Catholic Church itself which claims to

promote peace and love. The Vatican City (Corporation) is (a) the seat of a sovereign, independent, and free State; (b) is the Government of the Catholic Church; and (c) is the most astute diplomatic-political power in the world. Each of these three aspects is an integral part of the Catholic Church.

At birth innocent children are INCORPORATED into the Vatican Corporation, to become fictitious legal entities defined by and ruled by Canon Law (Vatican fictitious law). This is confirmed by the Catechism of the Catholic Church:

Article 1273: Incorporated into the Church [political power] by baptism, the faithful have received the sacramental character that consecrates them for Christian religious worship.⁴⁵ The baptismal seal enables and commits Christians to serve God by a vital participation in the holy liturgy of the Church and to exercise their baptismal priesthood by the witness of holy lives and practical charity.⁸⁵

The Vatican (thanks to the Jesuits) is now the largest, non-governmental provider of education, news and healthcare in the world, operating as a political force at the local level through the governments of every nation. It has been promoting and advocating with all its might for WWII with the Russians since before 1950 and for depopulation by vaccine, psychiatric medication, conventional pharmaceuticals, chemtrails and fluoride.

"The fact that the advocacy of a "preventive atomic war" was first enunciated by a Catholic was no mere coincidence. For Mr. Matthews, the head of the most important branch of the American armed forces, the American Navy, the largest naval war instrument in the world, had become the mouthpiece of his spiritual master, Pope Pius XII....

The Catholic Hierarchy, the Catholic Press, the Knights of Columbus and Freemasonry all supported Matthews' advocacy of a preventive atomic war. Jesuit Father Walsh, the foremost Catholic authority in the USA and a former Vatican Agent in Russia (1925), told the American people that "President Truman would be morally justified to take defensive measures proportionate to the danger. Which, of course, meant the use of the atom bomb.[11]" (The Vatican Holocaust).

15. The first Jesuit Pope is now in place since 2013 and WWIII is in full force

In 2013, the first Jesuit Pope was installed and the takeover of the world called the Fourth Reich (see [here](#)) went into full implementation through the indoctrination of our children. There is no 'education'... only early indoctrination to a world without human rights, a world of pedophilia as normal, a world where generations have no survival skills and no right to land. The trades have been decimated as parents encourage their children to follow academia. Academia is strictly opinion-based and cultish. The only real employer of graduates is the government, as students today rarely have practical life skills and Vatican corporations.

"In what could only be described as a stunning reversal, Protestants have over time actually become the Papacy's greatest ally by spreading its Jesuit spawned propaganda. What irony that Protestants, who originally broke away from what they clearly recognized to be the mother of all harlots who is the antichrist-led Church of prophecy, now champion the Futurist interpretation from high profile ministries. Futurism has without doubt, been successful beyond the wildest dreams of its Jesuit authors. The same applies to the Preterist interpretation of Luis De Alcazar, although to a lesser degree. Satan of course is the catalyst of these perpetuated lies." See [here](#).

The official definition of a Jesuit is 'one of intrigue and equivocation'. Intrigue means trickery and equivocation means to lie. Jesuits are trained in deception and are entangled with everything in society, all the way up to Presidents, Kings and Queens. Today, we see the Jesuit influence in our schools, all reflecting Catholic doctrine, even in public schools. Most leaders and elite have been educated by Jesuits. See their Extreme Oath of Induction [here](#).

Guess who was instrumental in setting up the Indian residential schools. The Jesuit Society of Jesus was responsible for the ethnic cleansing of Native Americans...and the list of genocides is endless. Often the control mechanism is psychological manipulation and indoctrination through hypnosis and satanic rituals. It is not a coincidence that in those countries where the Catholic Church forced conversion of the People to Catholicism, that it was mandated that they attend mass for a minimum of 1 hour per week...just the amount of time needed to indoctrinate using hypnotic trance.

Ethnic cleansing of First Nations peoples around the under the guise of 'educating' the 'savages' to their that First Nations People across the world would never and never give up their lands.

THE ENEMY WITHIN

From: the Preface to the American Edition of The Vatican Holocaust:

"The Vatican Holocaust is not a misnomer, an accusation or even less a speculation. It is an historical FACT."

From: The Transaction of the Royal Society of Canada, Second Series, 1899- 1900, Vol V, Section II: The Lines of Demarcation, Pope Alexander VI and the Treaty of Tordesillas A.O. 1493 and 1494 by Samuel Edward Dawson, translation from Royal Society of Canada:

"If, therefore, we put aside the conventional law and treaty law of nations, it will be seen that modern international law is founded on the Roman Law and on Canon (Ecclesiastical) Law, which latter was carried over in Europe by the Roman Church, for even in England, up to the time of Edward III, the Lord Chancellor (judicial) was always an ecclesiastic (Catholic)."

PRESENT DAY SITUATION

1. In Canada, lawyers, judges, state-media, medical doctors, politicians are shills of the UN parading as one of the suffering masses, all work hard to distract us from the facts, from the truth...through misdirection, misinformation, the provision of useless information and outright sabotage of our efforts to organize. All education is controlled by the Vatican (Jesuits) and the UN and is designed to destroy the community and the family, turn children against their parents, end parental rights, property rights, and human rights, and to create the social 'army' for UN action in North America.

2. As long as the Vatican/UN have control of our media, they can spin reality as they like, keeping their Catholic followers in the dark about their complicity in orchestrating the chaos, civil unrest, theft of property (land, money, children) from Canadians. As in the last 1700 years, the Vatican has

kept millions of innocent, unwitting Catholic voters at the ready to put fascist governments into power.

3. Educational institutions hire pedophiles, the Law Society of Ontario is now welcoming convicted US pedophile lawyers, and Ontario's sexed curriculum was installed by a convicted pedophile, Benjamin Levin, a long-time friend of Kathleen Wynne the former Premier of Ontario.

4. Psychologists have been trying to have pedophilia designated a natural sexual orientation to be protected by the Charter. It has been protected by the Vatican for centuries and is an essential part of the cult. The mainstream media has hidden all this from us for decades.

5. The bankrupting of a nation through debt and the impoverishment of the People is part of the UN plan...Canada is well bankrupted, indebted in the trillions to the Vatican's International Monetary Fund (IMF), homelessness and loss of property are epidemic. We have no fighting force. The UN and not the electorate dictate to the municipalities.
