

What You Better Know about the United Nations and Its Communist Roots and Leadership

The "idea" for creating the United Nations was born a few years before the First World War. The idea was named "League of Nations" and came from a book of fiction called "*Phillip Dru: Administrator*". The author was Woodrow Wilson's socialist right-hand man, Colonel House. House later admitted the book was fact presented as fiction. President Wilson's biographer, George Sylvester Viereck said:

"The Wilson Administration transferred the Colonel's ideas from the pages of fiction to the pages of history"..

Once the banksters were assured that Hitler was their man, rivers of money flowed out of the US Federal Reserve to build Germany's infrastructure and Adolph's war machine. This all occurred during "the Great Depression" while the people of the United States were losing their farms, homes and jobs because there "wasn't enough money".

Similar actions were occurring in the Pacific to bring Japan towards war and eventually the World War II became history with the loss of millions of lives. The banks made uncountable profits as did the industrial powers, including the Rockefellers, the Fords, Dupont and so many others. For some, WWII was another successful venture.

The same people, led by David Rockefeller, who made profit from the Great Wars now resurrected the League of Nations under a new banner, 'The United Nations'. For a complete look at the history of the United Nations, read David Icke's book "....and the truth shall set you free".

Interestingly the UN websites provide very little history about its roots and development – no wonder.

A young American diplomat was the leading force in the designing of the United Nations. Churchill, Roosevelt, and Stalin appointed this young diplomatic shining star to be the first Secretary-general of the U.N. for the founding conference held in San Francisco, April/June of 1945. See this [archived article](#).

All of this seemed well and good until three years later. Alger Hiss was exposed as a communist spy and sent to prison. Only then did people understand why the emblem of the United Nations looked so much like the emblem of the Soviet Union (image below right). It now made sense that the Soviet Union, at Yalta, was given control over all of Eastern Europe.

The U.N. Charter was authored by a communist, the first U.N. Secretary-general was a communist, and the U.N., from the beginning, was designed to be a Union of World Socialist Republics.

In March 2025, a UN Employee working for the United Nations Mine Action Service (UNMAS) who was being treated in Israel for wounds incurred while working for HAMAS, was [found with Waffen SS and Nazi Tattoos \(archived here\)](#). The United Nations Relief and Works Agency (UNRWA) was also proven to be entirely a HAMAS controlled operation, with top UNRWA officials being executives of HAMAS.

The United Nations has already come under fire for extensive ties to Hamas. Israel has provided evidence that multiple UNRWA staff participated in the October 7 terror attacks. A significant number of UNRWA employees are reported to have affiliations with designated Palestinian terror groups.

Few people know that the United Nations has put in place guarantees that no one who follows UN orders can be prosecuted for any reason, including murder and crimes against humanity. See [Privileges and Immunity Order of the UN](#).

On a tour of the UN, a visitor will notice not one mention is made of any of this by your guide. Hiss' name is never mentioned to ensure no one starts asking questions about the UNs communist roots and full-blown communist system.

Since the United Nations was created in 1945 there have been fifteen men appointed to the position of undersecretary-general of political and security council affairs. Amazingly, every single one of them has been a communist!

Excerpted from an article 'The United Nations and the New World Order', [archived here](#) we see that the UN was recognized as the evil it really was, decades ago:

"The United Nations is the greatest fraud in history. Its purpose is to destroy the United States."

- John E. Rankin

a U.S. Congressman

"The age of nations must end. The governments of nations have decided to order their separate sovereignties into one government to which they will surrender their arms."

- U.N. World Constitution

The first president of the United Nations General Assembly, **Paul-Henri Spaak**, who was also a prime minister of Belgium and one of the early planners of the European Common Market, as well as a secretary-general of NATO, affirmed,

"We do not want another committee, we have too many already. What we want is a man of sufficient stature to hold the allegiance of all the people and to lift us up out of the economic morass into which we are sinking. Send us such a man, and whether he be God or devil, we will receive him."

No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a LUCIFERIAN Initiation."

- David Spangler

Director of Planetary Initiative

Below is an excerpt of an exclusive interview with an ex-Illuminati programmer/trainer, you see the true intent of setting up the UN. The original interview excerpt was located [here](#); we have archived it [here](#).

"Answer: The UN was created early in this century in order to help overcome one of the biggest barriers to a one world government necessary, if there is to be a military rule and dictatorship by the Illuminists. That barrier is the one of nationalism, or pride in one's country. This is why it was NOT a popular concept when first introduced, it took years of country bashing in the media and the destruction of any sense of national pride by a (not so subtle) media campaign over the years.

It's agenda? It is set up as a shadow, or forerunner, of the Supreme World Council that will represent every nation. Every ambassador to the UN has either done something to curry Illuminati favor and been rewarded, or is a political figurehead chosen to make the organization "look good".

According to that insider, the UN will be known as the 'Supreme World Council' once the World Government is fully installed.

The United Nations is an organization which has been widely infiltrated by occultists and propagators of the "New Spirituality" (New Ageism). In the book "The Aquarian Conspiracy", by Marilyn Ferguson, a survey of New Agers showed that the leading influence on their spiritual "awakening" was Pierre Teilhard de Chardin. See more about this in the article [archived here](#).

The Lucis Trust (formerly known as the *Lucifer Trust*), under the leadership of Foster and Alice Bailey, started a group called 'World Goodwill' - an official Non-Governmental Organization within the United Nations. The stated aim of this group is "to cooperate in the world of preparation for *the reappearance of the Christ*" [*One Earth*, the magazine of the Findhorn Foundation, October/November 1986, Vol. 6, Issue 6, p.24.]

Of course, the reappearance of Christ was not the same event as promised in the Bible.
