

UPDATED INFORMATION ON THE ONGOING INVESTIGATION AND CLEARING OF CHILD TRAFFICKING TUNNELS – with quotes from insiders

This is very important, so please take a moment to read so you know what has been happening behind the scenes!!!! Evidently monies to fund the child trafficking tunnels came from Canadian and US taxpayers through the Cabal-owned Central Banking System controlled by the Rothschilds and Vatican.

As evidence comes out through in-depth US government investigations, we have learned that the traitors and psychopaths who took over North America and even European governments spent trillions of dollars on these tunnels called Deep Underground Military Bases (DUMBS). For example, that's where the trillions of dollars that have been missing from the 9-11 building that the Bush and Cheney terrorist took down came from.

There are at least 1,400 DUMBS worldwide, 188 known DUMBS in the U.S., with 2 underground bases being built per year in the U.S. There are hundreds of thousands of miles of tunnels --the average depth of bases are 4.25 miles underground. Each DUMB base-costs between 17 & 26 billion \$ to build, which is funded by MI6/CIA drug money & human trafficking money. Each underground base employs 10,000 to 18,000 workers.

Nuclear-powered drills & neutron bombs are the primary methods used to create & dig these DUMBS. The drills go through rock at speeds up to 60 mph, literally melting the rock away to form a smooth glass like surface around the edges of the tunnels.

Since April 2019 in secret military operations, thousands of tortured, mutilated babies, children and teens have been rescued or found deceased by the US Military. US Special Operations teams directed by President Trump and his Pentagon Pedophile Task Force have been clearing out the children, corpses, gold, cash and documents from a massive labyrinthine of DUMBS tunnels that ran beneath the US, Canada, Puerto Rico, Hawaii, New Zealand, Australia and Mexico, and more are being located across the world.

Evidently, over centuries, the tunnels had been built and used by members of the Illuminati, better known as the Cabal, or Deep State. Global, political and Hollywood elites into Satan worship were known to pay big bucks to drink the blood of a traumatized child (known as Adrenochrome) – reported to create a “high,” along with a supposed reverse of aging. Although, if their “supply” was cut off, the partaker suffered greatly from withdrawal and could even die. As this is written, indictments are being

unsealed by the tens of thousands and actor we idolized and politicians we voted in are being arrested and many court-martialed.

The Pentagon was making sure that the adrenochrome supply was never again harvested as evidently it had been for centuries. In April 2019, the US Military, Interpol and different countries' local military forces began a concentrated and coordinated effort to rescue children from a huge tunnel network that ran throughout the US from California to New York, to Canada, Mexico, Europe, Italy (the Vatican and Venice), the Hague, New Zealand, South America and the Middle East (Lebanon).

Some of the tunnels lay beneath the Vatican, with many reported to be several stories deep – like the one beneath the Denver Airport.

By April 2020 a total of over 50,000 malnourished, caged and tortured children had been reported as rescued or found deceased in the tunnels beneath large US cities including one under New York Central Park. Another tunnel was said to run from the Clinton Foundation building to the New York Harbor.

The latest horror was uncovered around August 20, 2020 beneath Reno Nevada where thousands of mangled recently deceased corpses of children were discovered. The child captives were believed to have been kidnapped or bred for purposes of sexual abuse, human experimentation and human sacrifice in Satanic rites.

On October 16 2019 an unbelievable 2,100 children being held in cages in underground tunnels at the California China Lake Military facility were rescued by Navy Seals and US Marines. The children and teens were said to have been sexually abused, tortured and killed to collect their blood. Marines carried out traumatized children, some of whom have never seen the light of day, pregnant preteens, deformed babies, piles of little corpses whose bodies were apparently used for organ harvesting, children locked in cages, electro-shocked and traumatized in order to harvest their blood – Adrenochrome for the elites to drink.

“In Nevada the child rescue operations moved in earnest... what was amazing is that everyone was thinking Las Vegas would be the horror show of horror shows... there was a horror show but it was Reno... underneath Reno they could not believe the tunnels underneath the ground... the DUMBs... the bulk of the children found in the tunnels under Reno were dead... not only dead folks, they were mangled... they're trying to do DNA testing to get the pieces back in order... which piece belongs to which other torso... it's horrific” commented Dr. Charles Ward, who has been in a couple of the tunnels.

Many people, such as Phill Schneider had seen the inside of these tunnels and when they started talking about them, were murdered. Schneider in fact was murdered along with this small son and wife. **A short video exposing how even the coroner**

appeared to be involved with the CIA murder of Schneider is seen by clicking [here](#) (link: VID 61) VIEWER DISCRETION IS HIGHLY RECOMMENDED!!

A trooper involved in rescue operations said, *"On 4 July 2019 at 2 am PDT we surprised personnel at the China Lake Naval Research Base in California. We took over the base and rescued approximately 3,000 children being tortured in ways beyond comprehension. . .The count now of traumatized children (found dead or alive) was more like in the hundreds of thousands – generations who had never seen sunlight."*

Another trooper in rescue efforts reported, *"Underground bases trafficking children were destroyed back in 2019. That included a base that was under the Getty Museum. The more recent Utah March 18 2020 earthquake was actually destruction of child trafficking tunnels (under the old Dugway Utah Germ Warfare base also referred to as another Area 51 UFO Base). There was a major battle under the Denver airport. The Illuminati had planned to make Denver the capital of the US after they took over and killed most of us."*

There was a tunnel system that circled Australia and centered in Melbourne. The military made a massive raid in tunnels beneath the Black Forest in Germany. In Barcelona Spain they rescued over 2,000 women and children, while arresting 13 of their pedophile leaders. There were 30,000 pedophiles arrested out of Germany, and "lots" were arrested in Spain and England.

Very popular investigative report, Charlie Freak from Australia, said that the troops went into Melbourne and found a second layer of tunnels beneath an enormous tunnel system in Australia. *"It started in Sydney... they described it to us... think arachnid... it's a web... and it was below... so this second tunnel system goes in a ring around Australia, with a big central line running towards Ayers Rock...One night - 9 p.m. to 6 or 7 a.m. - there were explosions every 2 or 3 seconds that entire time. That's why there were police out there."*

US Military, Marines, Navy Seals and Special Ops trained for over a year for the special missions under direction of President Trump and the Pentagon Pedophile Task Force. These US Special Forces were working with Interpol and various countries' militaries to clear out the underground tunnels filled with trafficked children and women. They then blew the tunnels up so they can never be used again for any purpose. The small nuclear explosives used caused small earthquakes in some regions.

The operation was ongoing as they discovered even more tunnels deeply buried beneath the earth. Insider, Dr. Charles Ward said: *"The rescue operations were taking longer than The Alliance thought because the massive labyrinthine illuminati tunnel systems were more vast than anyone had any idea of."*

"They collapsed tunnels in Lebanon," Ward said. "There was a considerable amount of tunnels under a building there that exploded. I've learned an awful lot about these tunnels and I have actually been inside some of these tunnels in my work because they store a huge amount of gold and cash in these tunnels. The ones I've been in were 200 Meters below ground level. . . the width of the tunnels would be 30/40 feet, the height would be 15/20 feet, there was electric golf buggies riding around down there like it was a main road; 40 km, 30 km of roads down there, shops down there, living quarters down there, storage facilities, safes, everything down there, and this was in just the two that I've visited. . . I think the process has been, from what I understand, once they've removed the women and children that were stored down there, they were removing the tunnels so nothing can be ever done there again."

Ward has personally been inside two DUMBs that were crammed with cash, gold and valuables. He was part of a team that was moving gold, cash and valuables around the world for the United States Government to back a revaluation of currencies in a Global Currency reset about to take place.

Dr. Ward related that in March 2020 during the child rescue mission at the Vatican they arrested the Pope. Some of Ward's Security Team watched the arrest. He said that 650 plane loads of gold, cash and documents were flown out of the Vatican to Fort Knox. He regularly used specially-trained teams to move money and his teams had been hired to clear out the Vatican of its stolen treasure.

"I don't think normal people have any idea or any concept as to how many children disappear every single year...And I'm going to sicken you right now. People that we trusted, organizations that we trusted during times of tragedy were involved, such as Hurricane Katrina where lots of people went missing. They were basically stolen by organizations that we trust to look after us in a time of trouble. Those kids were trafficked."

"That's pretty damn disgusting... In times of war... the wars in Afghanistan, Syria, Libya, the amount of children that were stolen from those countries is unbelievable. So that the families think that they've died and they haven't. They've been stolen... and this is a world that, don't take my word for it, go and do some homework, because it's absolutely disgusting."

"And you'll start to wake-up to what Donald Trump is actually doing when he's draining the swamp...I don't think... a lot of people have any idea how dirty that swamp is...how contaminated it is...and when you wake up to what he's actually doing...It doesn't matter if he has funny hair, it doesn't matter if he does funny tweets. If he gets rid of one pedophile gang, saves one woman and a child from being trafficked, he's doing a good job. He's saved thousands and thousands of children and families, yet there's NOTHING, NOTHING in the mainstream media. They should be ashamed of themselves, totally ashamed. It's disgusting."
