Introduction

It is important to read this page in conjunction with our TREASON page, and the CORPORATE GOVERNMENT FRAUD page, both of which are provided in Series #3.

MUST READ: the history of how the CIA created the World Economic Forum (WEF) and ushered it into position along with the UN as the World Government, creating a communist hell-hole for the world, [here](#).

Rome Fell in 1500 AD ... Are You Sure About that?

The power of Rome is still felt through many secret societies and fraternities; the Jesuits (trained Pierre Trudeau and Justin Trudeau), the Freemasons are just a couple of examples.

See this [video](#) for a quick, very surprising summary of how Rome still rules the world.

World Economic Forum Family Connections

In a [video](#) titled 'Naming More World Economic Forum Connections & The Guiding Force Behind The WEF Explained' you can learn how **various organizations were quietly set up in the background, constantly changed their names to confuse the public**, but always with the singular goal of installing a world government. It's only 37 minutes long and well worth your time.

[Here](#) is a good article presenting the evidence of the WEF racketeering and colluding with Canadian politicians, as well as the role the mega-corporation Vanguard plays in the corruption.

The criminal WEF and the criminal UN are in an [official partnership](#) to operate the World Government in nations such as Canada. Think of it as though two crime families are merging to control an even bigger territory. Actually, the UN is the face of the World Government, while the rest operate in the background.

You may enjoy this adroit young woman who tells us in plain English just what Schwab and his fellow psychopaths are doing to us. Click [here](#) for her short, common-sense explanation. Unfortunately, most of what she states is their goal has already been achieved.

Canadians are in an all-out war against Schwab and his WEF/UN cabal for the very future of our world, our families, and our children. Academics have been the supporters of communism because they have never lived under such systems and always talk about equality materially rather than equality of rights. You cannot have freedom (liberty) and equality simultaneously because equality requires the transfer of private property and wealth to others without one's consent.

If you think this does not apply to Canada, think again. The Canadian government has been openly following the communist play book to the letter since 1964.

What do you think the removal of gun rights is about, what the poisoning of our food and drinking water is about, why young people will never own a home, why the elderly were killed off during the COVID hoax, why the government has unleashed endless numbers of ways to take control of private property, why Chinese-controlled detention centres are being erected all across Canada in secret?

Behind its lavish exterior, the World Economic Forum (WEF) run by Klaus Schwab is working with the UN, IMF, WHO and other high-profile globalist organizations, many owned and controlled by Bill Gates, the Rothschilds and the Rockefellers to lead online activist movements and compliant local and national governments through a vast network of connected corporations.

To understand how severe the impact of these globalists are on Canada, please be sure to check our CHARITY FOUNDATION FRAUD Series to learn how hundreds of billions of dollars are provided the tax exempt charities/foundations, most foreign, to destroy Alberta and in turn Canada, one province at a time.

The World Economic Forum (WEF) and its founder Klaus Schwab have been slammed by an international policy think tank for "importing" the "culture" of China's Communist dictatorship into the West.

Gatestone Institutes slapped down the WEF communization of the West leaving a big red mark of disapproval on Klaus Schwab's face. Then Schwab's daughter spouted about the coming climate change lockdowns to finish us off – see [here](#).

The Gatestone Institute accuses the WEF of trying to replace governmental systems in Western nations with totalitarian Chinese Communist Party-style sociopolitical, philosophical, and economic ideology.

On July 28, 2023, the Gatestone Institute's J.B. Shurk issued **a warning** that the WEF's plan will result in a tyrannical system in which "a small group of elites bark orders and ordinary citizens dutifully obey."

The effort to replace current systems in the West with CCP-style Totalitarianism is all part of Schwab's "Great Reset" agenda. You can learn about that agenda from the GREAT RESET page.

The global predators are 'family' units, where family members are kept in line through mind-control programs. Meet the Klaus Schwab family that runs the World Economic Forum (WEF), in this short [video](#).

As you will learn, there are even Freemason Baby Factories run by the Odd Fellows cult—the great video documentary about these Odd Fellow baby factories is often censored, but these are locations where they were last still working: [here](#) and [here](#) (behind a paywall). The WEF and UN are all connected to these evil organizations and you can learn about more secret societies of this nature [here](#).

The [video](#) titled "The Odd Fellows, the Goat, and the Masonic Crossover | HL 36" provides more on the Odd Fellows, the Goat, and the Masonic Crossover Baby Factories.

According to Nicole Schwab, Klaus Schwab's daughter, COVID was a "tremendous opportunity" to test how the public would comply with authoritarian measures that could be used to usher in the WEF's "Great Reset" agenda.

[Nicole Schwab has declared](#) that tyrannical restrictions during the COVID pandemic served as a precursor to coming "climate lockdowns." If the link is broken, access this [article](#). As a member of the executive committee of her daddy's lunatic asylum named World Economic Forum, she stated:

"The participants were discussing how the threat of an "immediate emergency" can be used to further advance other agendas, such as the WEF's "Great Reset."

See the unearthed 2020 video of Nicole Schwab's comments, [here](#).

Certainly, the nut didn't fall far from the tree in this case.

The [World Economic Forum](#) [**copy and paste the URL into your browser if necessary: <https://needtoknow.news/2022/04/klaus-schwabs-mentors-who-helped-create-the-world-economic-forum-are-revealed/>**] wasn't only the creation of Klaus Schwab with the guidance of Jacques Attali; the whole organization was actually born out of a CIA-funded Harvard

program headed by Henry Kissinger and pushed to fruition by John Kenneth Galbraith and Herman Kahn. All three men were members of the Council on Foreign Relations (CFR). Schwab is more than a technocrat and intends to fuse his physical and biological identities with future technology.

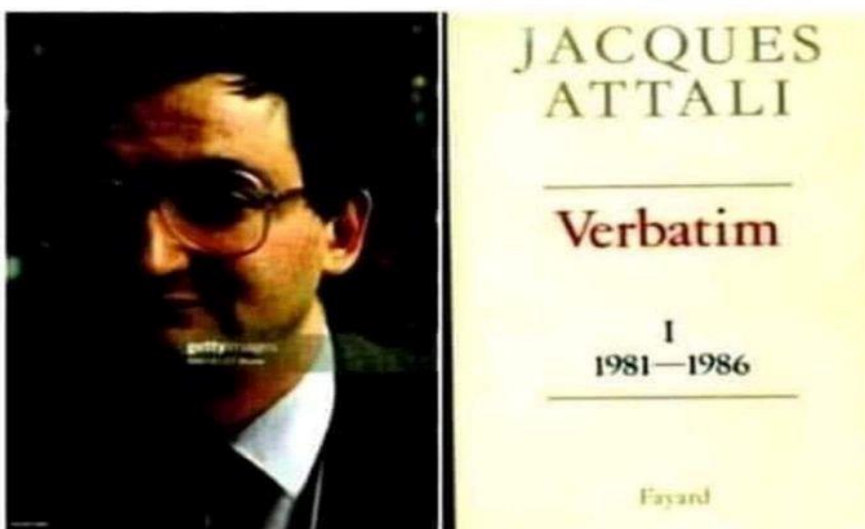

If the link is broken, access this [article](#) and access the embedded video about the 'Mega Death Mentors Behind the WEF' in that PDF, provided separately [here](#) and [here](#). Another embedded video is of Mike Wallace's 1958 interview with WEF 'mentor' Henry Kissinger; direct links to the interview are [here](#) and [here](#).

The Real Globalist 'Mastermind' behind the Great Reset is actually '[Prophet](#) Jacques Attali [copy and paste the URL into your browser if necessary: <https://rairfoundation.com/the-real-globalist-mastermind-behind-the-great-reset-prophet-jacques-attali>]. If the article is censored, see [here](#) and the embedded videos which are preserved [here](#) and [here](#).

In this [video](#), which was recorded in 2014, you will hear Jacques Attali 'predict' that WWIII would start with a war in Ukraine. Few have heard of him, but this is the trick with communists, the real decision makers are very quiet and stay out of the public eye in terms of appearing to make the political decisions. He is the one who picked out and trained President Macron of France who has destroyed his country with unlimited migration at the behest of the UN. Learn more about this genocidal maniac in the linked videos.

Attali, who fancied himself an 'architect of the world's future', was EXTREMELY dangerous in that he laid out 40 years ago -- and has cultivated all the world's leaders, such as Macron and Pierre Trudeau -- to carry out his plans for the world's population, step-by-step.

By 2022, the WEF/UN has achieved it all and their Youth Leaders such as Justin Trudeau, had infiltrated every government and carried out the plan, right down to removing national borders and mass murdering using pharma vaccines and other drugs. And as Attali projected, it would all be done behind a fog of media fantasy and lies. To this end, Justin Trudeau's Liberals pay the CBC over \$1.5 billion in tax dollars to be his mouth piece and to aid and abet in treason against Canadians and crimes against humanity.

Here from a 1981 book by Bilderberger Jacques Attali is an example of the Elite's mindset:

"The future will be about finding a way to reduce the population...Of course, we will not be able to execute people or build camps. We get rid of them by making them believe it is for their own good...We will find or cause something, a pandemic targeting certain people, a real economic crisis or not, a virus affecting the old or the elderly, it doesn't matter, the weak and the fearful will succumb to it. The stupid will believe in it and ask to be treated. We will have taken care of having panned the treatment, a treatment that will be the solution. The selection of idiots will therefore be done by itself: they will go to the slaughterhouse alone."

Klaus Schwab, the Nazi

Klaus Schwab's main ideological product, "stakeholder capitalism", will see the transfer of power away from true democratic processes and onto a system of governance by a small pre-selected leadership group, who will be trained to continue the agenda set for them by the previous generation, as predicted by Herman Kahn, one of Klaus Schwab's mentors discussed [here](#) and [here](#). Experts speculate that the return to Cold War rhetoric is because Klaus Schwab and his backers have run out of ideas.

This is your new, self-appointed Fuhrer and his Nazi father:

Someone has taken a photo of a video screen, probably at a seminar held by the WEF, of this handy "COVID variant calendar"

It would seem all the World's MSM are being given this calendar so they know when to launch the next COVID terror campaign.

Klaus Schwab's mom is Marianne Rothschild, and she did a fine job.

Here is her boy at the beach, in a bridesmaid outfit.

Give that a good look. THAT is what is doing the great reset and wants everyone injected with whatever the hell that shot is.

Yuval Harari Says We are the Useless Class

One of Schwab's most influential 'advisors' is Yuval Noah Harari, a self-described historian and one of Schwab's loudest mouthpieces, on the war path to create 'excuses' to eliminate most of the world's population. He believes that we will see the rise of the "[useless class](#)".

If the link is broken, see [here](#) and the embedded [video](#).

He equates low-paying with low-skilled and points to farming, which is an extremely high-skilled profession, even though farmers are robbed of their rewards by middle-men and government. One might point to how mothers, who have the most important job of all of humanity (to produce and raise the next generation) get paid nothing.

Harari identifies those transferring from one low-skilled job to another low-skilled job as the 'useless class' in his 4th Industrial Revolution that will be mostly automated (Central Bank Digital Currency, Artificial Intelligence, Human-Robot Chimeras and so on).

World Economic Forum (WEF) senior advisor Yuval Noah Harari is continuing to promote his anti-human agenda by trashing "[useless people](#)" and asking "what do we need so many humans for". If the link is broken, see [here](#) and the embedded [video](#).

During the interview, Harari was asked about the role of people in society as new technologies such as artificial intelligence continue to emerge.

Harari responded by declaring that a new class system will soon emerge that will separate global elite from the "redundant" general public.

He argues that most of the world's population will be of little use to the global elite, meaning they will no longer be "needed." By May 2024, it was suspected that Harari was a clone, but we have no details at this time.

“The biggest question..what to do with all these USELESS people. The problem is boredom & what to do with them.. when they are.. WORTHLESS. My best guess..is a combination of DRUGS & COMPUTER GAMES”

~ Yuval Harari-Advisor to WEF Klaus Schwab

Since they intend to kill off farmers too, it becomes clear why they want us to eat fake meats. Killing off 90% of the world's population also needs a classification system to justify the cull.

See more about fake foods on our FOOD FRAUD page, as well [here](#), [here](#), [here](#) and in this [video](#).

What happens if we do not comply? Well, Harari has advice for Klaus Schwab about this as well.

Canadian Traitor Explains the Great Reset

Alberta Premier Jason Kenny, a WEF puppet, explained the purpose of the Great Reset, thereby debunking the various politicians such as Justin Trudeau who said the Great Reset was all a conspiracy 'theory'. See this [video](#).

Let's learn a little more about what's involved in Klaus Schwab's Great Reset Plans, shall we? After all he is aiming to be your new master and god for the rest of your life – you should understand his thinking.

So, since you are choosing a path to normalizing brutality, communism, devastation and the murdering of the elderly, disabled and those who understand that the Nazi holocaust was not a one-off and that it is raising its ugly head yet again, but this time in our very faces, you need to meet the guy who thinks you are a useless eater, dispensable and deplorable.

Meet Klaus Schwab, the unelected, unaccountable psychopath that runs the World Economic Forum, who believes that only he and his ilk should walk this earth, primarily because he feels we are just too stupid to think and reason for ourselves.

In case you don't know the 4 building blocks of the COVID - WORLD ECONOMIC FORUM' great reset of your life, see [here](#).

Are you one of those people who have been calling well-informed people who are trying to warn you about the global conspiracy to eliminate you 'conspiracy theorists'? By May 2024, over 17 million people had been killed by the COVID-19 vaccines, with another 60 million severely injured. See the GENOCIDE and VACCINE FRAUD pages.

And while you are open to new information, know that 99.9% of the information that was ridiculed as 'conspiracy theory' has come true.

Other High-level Drivers of Communism

The following is a short list of the high-level drivers of communism and note that **Mark Carney was the Bank of Canada head who moved the destruction of our economy into full gear** before he moved to the Bank of England and did the same thing.

Learn more about this traitor from the TREASON content in Series #3.

Mark Carney is now advancing the UN's Climate Change scam and imposing the Green New Deal on all businesses through financial institutions that he controls. Listen to Carney in an interview with fellow WEF supporter, Peter Mansbridge (formerly of the CBC) [here](#).
